## S. IMPORTANT INFORMATION:

### Trustee Requirements

An SMSF can have no more than 4 members. In selecting the individuals involved you must have regard to the following:

- All members of the Fund must be trustees or directors of the trustee company unless they are a guardian, an attorney, executor or other legal personal representative satisfying the requirements of the SIS Act.
- If the fund has a sole member, the trustee may be a sole director trustee company with the sole member being the sole director. The trustee company may have a maximum of two directors (including the member) where the other member is a relative or any other person who is not an employer of the member.
- If the fund has a sole member and the trustee is **not** a company there **must** be one other individual trustee. The other person can be a relative or any other person who is not an employer of the member.

### Deceased Party

Most modern Fund Rules provide for the manner in which a trustee/founder may resign or be replaced in the event of disability or death. This may be given effect by a separate deed of appointment or by Will. In the absence of an express direction regarding replacement upon death, a deceased trustee/founder will be replaced by the executor appointed under a Will or by the estate administrator where there is no valid Will.

You must provide either the deceased's signed instructions regarding trustee/founder replacement or, if none, a copy of the last Will or, where obtained, Grant of Probate or Letters of Administration. A copy of the Death Certificate must also be supplied

### Role of Founder/Founding Member/Principal

To assist in the orderly administration of a Self Managed Superannuation Fund documentation prepared by MJHC Legal operate with an individual performing the role of Founder. Documentation prepared by other providers may have this role performed by a Founding Member or Principal.

### Powers of Founder

The role of Founder is a significant one and includes the following important powers:-

1. The Founder has the power to remove and appoint new or additional Trustees.
2. Gives consent to any amendments or variations of the Trust Deed and Rules governing the Fund.
3. Can pass on the role of Founder to others by Deed or by the Founder's Will.
4. Can require the Fund to be wound up.

### Who is the Founder

Usually, the Founder will be one of the Members of the Fund. There may be more than one Founder with the powers of the Founder being exercised jointly. A Founder need not necessarily be a Member of the Fund. A Founder may be a company.

### The Founder and the Appointment and Removal of Trustees

One of the key roles of the Founder is to ensure that in conjunction with the Trustees, your Self Managed Superannuation Fund complies with the legal requirements of the laws governing Self Managed Superannuation Funds and the appointment and removal of Trustees. For this reason, the Founder is empowered to remove and replace Trustees. This will ensure that at all times Members of the Fund are also Trustees or Directors of a Corporate Trustee as required by the laws governing Superannuation Funds. Details of the power of the Founder concerning the retirement, removal and appointment of Trustees are set out in the Rules governing the Superannuation Fund.

### Death or Retirement of the Founder

The Rules of your Superannuation Fund will also govern the resignation or death of the Founder. A Founder can appoint a substitute Founder by a Deed of Appointment or under the terms of a Will. Often the substitute Founder will be the Executor named in the Founder's Will. Care should be taken in identifying and nominating a substitute Founder due to the role and responsibility.

If there is no nominated Founder and no replacement appointed, the Legal Personal Representative of the last named Founder will assume the role of Substitute Founder. If there is at any time no Founder, the Trustees may with the consent of Members of the Fund appoint in writing a replacement Founder. If there are no Members, the Trustees will assume the role of Founder.

### Effective Dates

The Fund must resolve to appoint new Trustees and/or Founders of the Fund. The date the parties meet will also be the date of the deed of appointment. However, the date on which the appointment takes effect can be a past or future date. For example, you should ensure that the effective date of the appointment is a date prior to the new Trustee/Founder participating in Fund administration.

### Meeting & Resolutions

It is not always a legal requirement that individuals physically attend a meeting of trustees or directors of a corporate trustee. Most modern trust deeds and company constitutions permit teleconferencing. Attendance by telephone can be a convenient method of meeting where parties are physically separated. You must indicate whether or not a party was or will be physically present at a meeting.

A circulating resolution is an alternative to attendance at a meeting in person or by telephone. A circulating resolution requires all parties to sign and date the resolution. It is also necessary for the parties to be provided with all relevant material relating to the resolution. This may not always be convenient or a secure means of safeguarding the material.

Importantly, a circulating resolution does not have any legal effect until the resolution is signed and dated by all required parties. It will also only be effective from the date on which the last signature is obtained to the circulating resolution. For these reasons, physical or telephone attendance at a meeting is preferred over a circulating resolution.

### Other Issues

Duty may be payable on the deed of appointment in the State or Territory whose laws are to apply to the Fund.
